APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This application is granted with the condition that the applicant, in the pumping operation, shall not diminish the flow of water in the Humboldt River that would be available for prior and vested rights.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed Three & 6/10 cubic feet per second.

Actual construction work shall begin on or before June 16th, 1913.

Proof of commencement of work shall be filed before July 16th, 1913.

Work must be prosecuted with reasonable diligence and be completed on or before June 16th, 1914.

Application of water to beneficial use shall be made on or before June 16th, 1916.

Proof of the application of water to beneficial use must be filed with the State Engineer on or before July 16th, 1916.

WITNESS MY HAND AND SEAL this 16th day of April, 1913.

Proof of labor filed JUL 21 1913

Map filed OCT 10 1913

Proof of beneficial use filed SEP 5 1916
